Reminder: Temporary Closure of all Ridgemont Holdings Lands

To Whom It May Concern:

Pollyco and Parastone Developments Ltd. would like to provide a friendly reminder of the closure of all Ridgemont Holdings lands due to safety concerns. Please be aware logging operations have not yet completed, as cleanup and slash pile management are ongoing.

On Thursday, September 5th, 2019 Canfor and the owners of Ridgemont Holdings Ltd. will be conducting a full site review with the logging company, to better understand the completion process.

During the closure please be aware that **NO ACCESS** is permitted to the public. Any persons found on Ridgemont Holdings lands will be subject to prosecution.

We apologize for any inconvenience this may cause and thank you for your patience while we manage this important Fernie forest asset.

Sincerely,

A handwritten signature in black ink, appearing to read 'S Howse', with a long horizontal flourish extending to the right.
